

Biography of Jeanne Gaston

My name is Jeanne Gaston. My life has been filled with jobs in the financial industry: Teller, Banking Center Assistant Manager, Banking Center Manager, Treasury Management sales for a regional bank, and Product Manager for that same bank. I am married to a retired pastor. I lived most of my life in Ohio, where most of our family resides, but after retiring we moved to Port Charlotte, Florida where I play golf almost every day, sometimes as many as 36 holes on our executive course and pickleball a couple of days a week. When I have time I like to read, sing, and make custom t-shirts.
