Forum #3 “What Do We Do With All That?”

Born in a suburb of Chicago, (Go BEARS!) to a hardworking concrete worker and his devoted wife I am the youngest of 3 by more than 10yrs. I was an active child growing up, one that often could be heard singing, “Jeremiah was a bullfrog” on the swing or playing in the pool on a hot summer day. Moving to northern Illinois (literally 300’ from the WI state line) in 1978 gave me the opportunity to meet some wonderful people that would forever change my life. I was invited to church for the first time in 8th grade after a girlfriend’s sleepover. I fell in love with Jesus and never looked back. Baptized as an adult I committed my life to The Lord and asked my boss and her husband my Godparents.

2003 my brother and his wife sponsored me on my Via de Cristo weekend. It was an incredible life-changing event that I am ever grateful for and will never forget. Everything from the serenading to the laughter, messages and Agape meal was AMAZING!

I currently reside in Clinton, WI (it’s still GO BEARS) with my husband. We have 2 fur babies, 3 grown children and 2 granddaughters.
