Weekend Made (please include year) CVDC 2004 Are you active in a reunion group? Yes

Your experience on behalf of the NLS in attending and working: I attended my first NLS Gathering around 2006 or 07. In 2011 I was asked to be a part of starting up Regional Coordinators and in 2012 we launched the Rediscover and Recommit Seminar. We began building relationships with our Regions to be a Front Line Servant to bridge the gap from local Secretariats to the National Board. I remained the Region 1 Coordinator until 2020 when Karen Weires took over as Region 1 Coordinator to keep our communities connected. They are blessed to have her and we have been blessed to have a great relationship with Region 1.

Your experience in your local Secretariat, including positions held: I have Served on our local Colorado Secretariat since 2005 when I began as an Ultreya Coordinator. I am currently the Assistant Lay Director/Training Coordinator. I will be coming off our Local Board in August. I have served on numerous teams, served in all positions, given all Rollos and Mentored numerous Rectors. My passion is honest conversation, music, and encouraging people to step out in faith and grow in leading with their gifts and talents.

Occupation / Family information: I am a paralegal for a criminal defense attorney. I am experienced in Zoom, Web Ex, Excel, Word, and taking minutes and documenting conversations. I am highly organized with files both paper and electronic. I am a certified Speaker, Trainer, and Coach with my business, Better Now through the John Maxwell Team. I have three grown children and 3 grandchildren. My parents live right up the road, so I can always count on my Mom to come for coffee and my Dad to keep my lawn mowed. Ha! (I also like to laugh.)

Your experience in your local church: Worship Leader, Praise Team, Pioneer Club Teacher, Advisory Board to name a few.

Experience which would help you in the position for which you have been nominated: It is my prayer that my gifts and talents be used for the Board in a way that helps us discuss joys and troubles, struggles and successes with not only the NLS Board but through what is discussed in each Region, gaining knowledge and understanding that can be shared to other Secretariats in a way that will encourage us to persevere in this movement. My style of leadership is more of a Partnership Leadership, to come along side of another and encourage them. I believe that we have much to discuss to keep our movement alive. With conversation and fresh ideas we can together find ways that will keep us moving forward.
