

2021 Annual Report for Vice President for Administration

Looking back at this past year: Since I just started in this position the end of April, I haven't had to look too far back in my new role as Vice President for Administration. I've been focused on preparing for our virtual Annual Gathering with the help of a great team to ease my transition. There have been some missteps and there will probably be more, but I hope you can extend your grace and forgiveness as I learn this year.

The one thing I cherished/learned from the past year pandemic is intentionally connecting with family and friends through either virtual meetings, calls, or handwritten cards.

Looking ahead to this year: Next year I'm looking forward to taking all I've learned this year in hosting the Annual Gathering online and transferring what we can to host the in-person Annual Gathering in Texas. There will probably be some more missteps and I cherish my team to help guide me along the way.

God loves you and so do I,
Jane Winge
